

Each student should complete this form **near the end of each academic year and submit by August 1**. This document is meant to guide you in formulating a plan for your future. This form should be completed in close consultation with your research supervisor or the Graduate Coordinator through an annual meeting. Students who have not formed their committee should have a meeting with the Graduate Coordinator. Students who have already formed their committee should have a meeting with the research supervisor. It is recommended to use bullet points rather than long paragraphs. **The meeting date and both signatures are required.**
